4. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
5. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
6. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
7. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
8. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
9. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
10. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
11. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
12. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
13. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
14. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
15. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
16. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
17. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
18. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
19. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.
20. Survey of the Health, Education, and Income of the Youth (SHEIY)	A longitudinal survey of the youth population in the United States, covering the years 1980 to 1994. It provides data on health, education, and income.

Unit 10

Section	Section 10.1: Introduction to the Unit
Topic	Section 10.2: The Role of the Teacher
Sub-topics	Section 10.3: The Role of the Student
Section	Section 10.4: The Role of the Parent

Section	Section 10.5: The Role of the Community
Topic	Section 10.6: The Role of the Government
Sub-topics	Section 10.7: The Role of the Media
Section	Section 10.8: The Role of the Church
